The Salvation Army and the Initiative Against Sexual Trafficking invite you to join with them in observing the 3rd annual *International Weekend of Prayer and Fasting for Victims of Sexual Trafficking*. You can join the observance by organizing workplace and church-based events for prayer and fasting on behalf of those exploited and trafficked into the commercial sex industry. Let's lift our petitions to God to free the captives, end exploitation, and to equip Christians to serve, prevent, rescue, and restore.

*"May my prayer be set before you like incense;
may the lifting up of my hands be like the
evening sacrifice."*

Psalm 141:2
